Department of Biostatistics, Bloomberg School of Public Health
Johns Hopkins University

Rihad Variawa has successfully completed, via the Leanpub Platform, the course, Data Tidying, an online, non-credit course authorized by the Johns Hopkins University and taught by Jeffrey Leek of the Johns Hopkins University. While this course may draw upon material from courses taught on-campus or in degree programs, this course is not the equivalent of an on-campus or degree program course. This Statement does not indicate that this Participant was enrolled as a student at the University in any way. It does not confer a University grade, course credit or degree. You agree and acknowledge that nothing in the Terms of Use or otherwise with respect to your access or use of any course offered on this Platform; establishes any relationship between you and The Johns Hopkins University; enrolls or registers you in any The Johns Hopkins University or any of its courses; or entitles you to access to use the resources of the Johns Hopkins University beyond those offered on this Platform.
